Subject: STATEMENT BY THE PRESIDENT

THE WHITE HOUSE
Office of the Press Secretary

For Immediate Release
June 23, 2003

STATEMENT BY THE PRESIDENT

I applaud the Supreme Court for recognizing the value of diversity on our Nation's campuses. Diversity is one of America's greatest strengths. Today's decisions seek a careful balance between the goal of campus diversity and the fundamental principle of equal treatment under the law.

My Administration will continue to promote policies that expand educational opportunities for Americans from all racial, ethnic, and economic backgrounds. There are innovative and proven ways for colleges and universities to reflect our diversity without using racial quotas. The Court has made clear that colleges and universities must engage in a serious, good faith consideration of workable race-neutral alternatives. I agree that we must look first to these race-neutral approaches to make campuses more welcoming for all students.

~~Race is a reality in American life.~~ Yet like the Court, I look forward to the day when America will truly be a color-blind society. My Administration will continue to work toward this important goal.
