Mrs. Sehba Musharraf
First Lady of the Islamic Republic of Pakistan
Islamabad

Dear Sehba,

Many thanks to you and President Musharraf for hosting a wonderful visit for President Bush and me.

I greatly enjoyed visiting with the interesting group of Pakistani women at the lovely coffee, and I particularly appreciate meeting Ayla. The luncheon and state dinner were also marvelous. The fascinating and beautiful fashion show is something I will always remember and, of course, the "The Yellow Rose of Texas" was a delightful surprise.

Thank you also for the exquisite jewelry and gorgeous stoles for Barbara, Jenna, and me.

I look forward to our next meeting.

With best wishes,

and with love,
Jenna

Ms. Lisa Chiles
USAID Mission Director
Pakistan

Dear Lisa,

The Education Through Partnership roundtable discussion was interesting and informative, and I am grateful to you for serving as moderator. You did a fine job!

I appreciate learning about the contributions of USAID, UNESCO, and Children's Resources International to strengthen education in Pakistan. I am particularly happy to hear about the extraordinary efforts of these organizations to find school placements for children displaced by the earthquake.

President Bush joins me in gratitude for your helpful briefing on the post-earthquake reconstruction efforts, and we are especially thankful for your impressive career at USAID.

With best wishes,

Mrs. Mehnaz Aziz
Chief Executive
Children's Resources International Pakistan
Islamabad
Pakistan

Dear Mrs. Aziz,

Thank you for representing Children's Resources International Pakistan during the discussion of efforts to strengthen education in Pakistan.

Your informative remarks were very helpful, and I am happy to have seen firsthand the positive effect of CRI when I visited the classroom. Please tell the children how much I appreciate the marvelous books they made and presented.

I admire your leadership and dedication to the important mission of CRI and send my best wishes for your continued success.

With warm regards,
