Scope and Content

The materials in FOIA 2016-0217-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2016-0217-F requested records written by former Office of Management and Budget (OMB) Director Rob Portman or any direct correspondence between Director Portman and President George W. Bush pertaining to Social Security between May 2006 and August 2007.

This FOIA primarily contains White House staffing memoranda without comments and printed news articles including a sampling of articles discussing the budget. Electronic records consist of articles, op-eds written by Director Portman, talking points, OMB Guidance on Estimating Funding Levels Under the Revised Continuing Appropriations Resolution, and Emergency Response Fund reports and transmittal letters to Congress from August 2006 and January 2007.

System of Arrangement

The materials in FOIA 2016-0217-F are a systematic body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

Documents responsive to this FOIA were found in these collection areas – White House Office of Records Management (WHORM) Subject Files and George W. Bush Presidential Electronic Records.

WHORM Subject Files are processed at the document level.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at www.georgewbushlibrary.smu.edu.

The Executive Office of the President (EOP) instance of the Electronic Records Archive (ERA) contains electronic records created or received by President George W. Bush. These records are stored in Search and Access Sets (SAS) that represent their originating computer program, such as Exchange Email or the Worker and Visitor Entry System (WAVES). In addition to records captured from the White House's electronic systems, EOP-ERA also contains records from the home and shared drives used by White House staff.
