Scope and Content

The materials in FOIA 2017-0207-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2017-0207-F requested records from the White House Office of Records Management (WHORM) related to Sergey Kislyak.

This FOIA primarily contains correspondence, contact information, printed emails, briefings, schedules, copies of autographed photos, and other routine administrative documents. A significant quantity of the request consists of draft and final thank you letters from President George W. Bush to various individuals that he met with in Russia as well as background

information used to prepare those letters. A briefing, guest list, and numerous grip-and-grin photos of the 2008 Iftaar Dinner are included because Kislyak attended the event.

System of Arrangement

The materials in FOIA 2017-0207-F are a systematic body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

Documents responsive to this FOIA were found in these collection areas – White House Office of Records Management (WHORM) Subject Files.

WHORM Subject Files are processed at the document level.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at www.georgewbushlibrary.smu.edu
