Scope and Content

The materials in FOIA 2014-0531-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2014-0531-F requested materials related to HIV/AIDS from Mrs. Bush's trip to South Africa, Rwanda, and Tanzania in July 2005.

The textual component of this FOIA primarily contains schedules, briefing papers, schedule proposals, site surveys, printed emails, articles, maps, internet printouts, published materials, talking points, Q&As, pool reports, fact sheets, handwritten notes, thank you letters and copies of signed photos, cables, maps, lists, fax cover sheets, receipts, forms, and other administrative documents. There are numerous versions of schedules for Mrs. Bush's travels from July 8-15,

2005, scheduling proposals and background materials on the various organizations visited during the trip, and other administrative prep materials related to the planning of the trip such as scheduling information for the site survey team and menus for air travel. Also included are printed administrative emails and documentation regarding Rick and Kay Warren and Cherie Blair's travels to Africa at the same time as Mrs. Bush's. Draft and final letters to the editor of AllAfrica.com from Kristen Silverberg regarding Mrs. Bush's comments about the ABC model of HIV prevention are also present. Lastly, there are schedules, Q&As, administrative documents, and other background materials related to President George W. Bush and Mrs. Laura Bush's travel to the G-8 Summit in Gleneagles, Scotland, as Mrs. Bush left for Africa directly from this event.

The electronic component of this FOIA primarily contains emails that contain press schedules, final drafts of speeches delivered on the trip, news articles with commentary, transcripts of Mrs. Bush's remarks and an interview with Ann Curry for the TODAY Show, pool reports, speeches delivered by Ambassador Randall Tobias regarding HIV/AIDS, interview requests from reporters, and briefing papers for trip events. There are emails requesting the posting of transcripts of remarks and photographs with captions on the White House website, copies of the transcripts and photos, as well as status reports on the website update. Also included is an email discussing the ability of the Treasury department to provide briefing materials and a response from a staff member in Mrs. Bush's office. Documents from the shared drives include a list of individuals to thank, press proposals, and spreadsheets containing photo captions for the White House website.

On July 11, 2005, Mrs. Bush was in Cape Town, South Africa. She had lunch with the first lady of South Africa, Mrs. Zanele Mbeki. Following lunch, she flew to Botswana and attended a U.S. Embassy greeting. She then returned to Cape Town, South Africa.

On July 12, 2005, Mrs. Bush spent the entire day in South Africa. She visited Mothers to Mothers-to-Be, an organization devoted to the mentoring of pregnant women with HIV/AIDS. Following that, she participated in a live interview with Ann Curry that was broadcast as part of NBC's TODAY Show. Mrs. Bush then went to the Centre for the Book to participate in a roundtable regarding women's empowerment. Her final engagement of the day was a greeting at the U.S. Mission.

On July 13, 2005, Mrs. Bush departed South Africa and flew to Dar es Salaam, Tanzania. She participated in an arrival ceremony before visiting PASADA (Pastoral Activities and Services for People with AIDS in Dar es Salaam). At PASADA, Mrs. Bush participated in a tour, discussion, and gave remarks; she was joined by first lady of Tanzania, Anna Mkapa. Following that, the two first ladies visited the Equal Opportunity for All Trust Funds (EOTF) headquarters. Next, Mrs. Bush participated in a U.S. Embassy greeting before making a courtesy call on the President of Tanzania, Benjamin Mkapa. The final engagement of the day was a formal dinner with the President and First Lady of Tanzania.

On July 14, 2005, Mrs. Bush flew to Zanzibar, an autonomous region within Tanzania, and was met by the first lady, Shadya Karume. The pair toured the Al-Rahma Madrasa Pre-School and visited the Kiembesamaki Teacher Training school. At the Kiembesamaki Teacher Training

school, Mrs. Bush announced the donation of thousands of books from USAID's African Education Initiative. She then participated in a courtesy call with President Amani Abeid Karume of Zanzibar before departing for Kigali, Rwanda. Upon arrival in Rwanda, Mrs. Bush was joined by Jeanette Kagama, the first lady of Rwanda, and Cherie Blair, the wife of the Prime Minister of the United Kingdom, Tony Blair. The women visited the Kigali Memorial Center Gisozi Genocide Memorial and laid a memorial wreath before touring the institution. Following this, Mrs. Bush participated in a roundtable discussion with women in democracy. She then made a courtesy call on President Paul Kagame of Rwanda before traveling to the Kagarama church to tour the grounds and meet with students. Mrs. Bush next traveled to the Forum for African Women Educationalist (FAWE) Girls School where she delivered remarks, toured the facility, and watched a skit and dance performed by the students. Rick and Kay Warren, the evangelical pastor of the Saddleback Church and his wife, also participated in this event. Lastly, Mrs. Bush proceeded to the U.S. Embassy for a greeting before attending a formal dinner hosted by Mrs. Kagama.

On July 15, 2005, Mrs. Bush and her staff departed Rwanda. The plane stopped in Sal Island, Cape Verde to refuel and then journeyed on to Andrews Air Force Base, and finally the White House.

System of Arrangement

The materials in FOIA 2014-0531-F are a systematic body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

Documents responsive to this FOIA were found in these collection areas - White House Office of Records Management (WHORM) Subject Files, Staff Member and Office Files, and George W. Bush Presidential Electronic Records.

WHORM Subject Files are processed at the document level.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at www.georgewbushlibrary.smu.edu

Staff Member and Office Files are maintained at the folder level by staff members within their individual offices and document all levels of administration activity.

Staff Member and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The Executive Office of the President (EOP) instance of the Electronic Records Archive (ERA) contains electronic records created or received by President George W. Bush. These records are stored in Search and Access Sets (SAS) that represent their originating computer program, such

as Exchange Email or the Worker and Visitor Entry System (WAVES). In addition to records captured from the White House's electronic systems, EOP-ERA also contains records from the home and shared drives used by White House staff.

The following is a list of documents and folders, as well as a manifest of electronic records, processed in response to FOIA 2014-0531-F:
