Scope and Content

The materials in FOIA 2015-0274-F[1] are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2015-0274-F[1] requested materials related to the Iraq surge from Deputies Committee (DC) meetings of the National Security Council, 02/01/2006 – 05/01/2008.

This FOIA contains printed internal emails, fax cover sheets, forms, lists, reports, routing memos, schedules, and website printouts. This request consists of administrative materials from Deputies Committee meetings of the National Security Council including routine routing memos, routine printed emails, fax cover sheets, meeting attendance lists, and factual reports.

Please note that a portion of classified records related to this request has not yet been processed. Additional records will be provided as they become available.

System of Arrangement

The materials in FOIA 2015-0274-F[1] are a systematic body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

Documents responsive to this FOIA were found in these collection areas – Staff Member Office Files.

Staff Member Office Files are maintained at the folder level by staff members within their individual offices and document all levels of administration activity.

Staff Member Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.
