Dear Mr. Kavanaugh:

On behalf of all the ISEA Board of Trustees, thank you for meeting with us on Monday, February 24. We hope the meeting was the beginning of a dialog between your office and ISEA.

As you know, some of the liability issues pending before the Administration are critical to our industry. Two other key issues are:

- Executive Orders allowing the postal service to indemnify its contractors; and,
- Establishment of the Department of Homeland Security's Qualified Antiterrorism Technologies List (HR 5710, Secs. 861-865).

Please keep ISEA in mind as these two issues move forward. We are your partners in these new endeavors.

Again, thank you for speaking to the ISEA Board of Trustees.

Sincerely,
