Re: Judge Carlos Bea for U.S. Court of Appeals

Dear ~~Senator~~ *Dianne*:

Our mutual friend, Judge Carlos Bea is being considered for appointment to the U.S. Court of Appeals for the Ninth Circuit. I think this would be an outstanding appointment and encourage your support of Carlos Bea to this position.

I have known Carlos for more than 25 years, and have closely observed his fine legal and judicial skills. He is one of the most respected judges in California. He is fair, very bright and efficient. Judge Bea is a legal scholar and respects the law. His opinions are clear, thoughtful and well regarded by litigants and the public. He is a jurist with great integrity, is friendly, courteous and is well regarded by the community.

In addition, Carlos has generously shared his time and resources to assist the community and the legal profession. Many of the improvements to our judiciary are due to his generous sharing of his time as a teacher, lecturer and writer on a variety of judicial topics. In the past several years, Carlos has been active in aiding Latin countries in improving their legal systems.

I would be happy to provide any additional information you need, but I believe you know Carlos very well and share my high regard for his work as a jurist.

Kindly give Carlos your support to this appointment to the Court of Appeals.

Very sincerely,

Harry W. Low
Insurance Commissioner
