Previously, she held positions in the White House as an Intern (2005) and a Staff Assistant in the Office of Intergovernmental Affairs (2006-2007). Ms. Lew graduated from the University of Texas at Austin with a BA in Government in 2005, and from the University of Virginia School of Law with a JD in 2012.

**Scope and Content Note:** Veronica Lew’s records document two distinct job functions. The Agency Reports sub-series consists of records about federal agency volunteer activities. The bulk of these records contain reports on compliance with Executive Order 13401, which required
Federal Departments and Agencies to encourage volunteer service among their employees. The Subject Files sub-series consists of records related to volunteer organizations, the value of volunteerism, and volunteer activities and training, especially volunteer activities related to disaster relief and preparedness. There is also a small Book Collection sub-series that contains Veronica Lew’s reference books.

The bulk of the records were created by Dan Vogel and Katie Loovis, former USA Freedom Corps staff members who held similar positions to Ms. Lew. These records predate Veronica Lew’s tenure in USA Freedom Corps, but seem to have been retained and used by Ms. Lew.

**System of Arrangement:** Veronica Lew’s files are arranged into three sub-series: Agency Reports, Subject Files, and Book Collection. The Agency Reports and Subject Files are arranged alphabetically. The Book Collection is arranged alphabetically, with the Budget of the U.S. Government and supplemental books filed as a unit under the first title in the group.

This collection is only partially processed and some boxes may be unavailable for research.
