Scope and Content
The materials in FOIA 2014-0061-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

This FOIA primarily contains reports, papers, press releases, and invitations. Publicly available reports, documents, and press releases from the European Union (EU) are present regarding European security, the Headline Goal 2010, meetings, and EU presidencies. Also included are reports from organizations such as EuroFuture Magazine, the Atlantic Council, and the Council
on Foreign Relations. Lastly, there are invitations to meetings, luncheons, dinners, and conferences.

Please note that a portion of classified records related to this request has not yet been processed. Additional records will be provided as they become available.

**System of Arrangement**
The materials in FOIA 2014-0061-F are a systematic body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

Documents responsive to this FOIA were found in these collection areas – George W. Bush Presidential Electronic Records.

The Executive Office of the President (EOP) instance of the Electronic Records Archive (ERA) contains electronic records created or received by President George W. Bush. These records are stored in Search and Access Sets (SAS) that represent their originating computer program, such as Exchange Email or the Worker and Visitor Entry System (WAVES). In addition to records captured from the White House’s electronic systems, EOP-ERA also contains records from the home and shared drives used by White House staff.
