Subject: Iowa State Bar Association Federal Practice Seminar

Brett - our common friend Steve Colloton has given me your name to contact to appear at our annual Federal Practice Seminar. I am a member of the ISBA Federal Practice Committee. The committee puts on a Continuing Legal Education Seminar which is one of the most successful CLE programs put on by the ISBA and regularly attracts several hundred Iowa attorneys and includes presentations by all available judges and magistrates in the Northern and Southern Districts in Iowa, as well as the Iowa based judges of the Eighth Circuit.

We would like to have a presentation on the topic of Judicial Selection and Steve has indicated to me that you are the right person for the job. We are happy to work with you on the precise topic or what would be of interest to be included. We can be somewhat flexible on the time limit, although we find that anything over an hour presses the attention span of the audience. It would be good if some time could be left for questions. Our CLE rules

require written materials to receive credit. This is not meant to be an onerous requirement and we can assist you if that is helpful.

Our program is scheduled for Friday December 13. We would like to have your presentation in the afternoon.

[P6/b6]

(There will be several of us making the same trip). We sponsor a dinner the night before for all of the speakers (including all of the judicial officers). That dinner starts at 6:00 p.m. You are invited but not required to attend. You are also welcome to attend the program prior to your presentation.

We will pay all of the expenses associated with your trip. You can make your own travel arrangements and let us know the cost or we would be happy to put

together an itinerary for your consideration. We understand that you will fly out of Cedar Rapids

[P6/b6]

We want to make this as convenient for you as possible.

One final note. We have invited North Carolina Senator Edwards to speak at this year's program. We have not directed a topic for him and are not intending to set up a "debate" between the two of you on the judicial selection topic, although that might be entertaining. We have not heard back on the Senator's availability or willingness to attend. I will keep you advised on how things develop with the Senator.

I hope that you will be able to attend. Please feel free to call or e-mail with any questions. I look forward to meeting you in December.
