Are you getting blackberries? I don't want to bother you on your vacation, but the RNC is getting anxious on our approval on a fax for these trips for their donor groups. We discussed a little while ago, and you were uncomfortable with the faxes to the Ambassadors. Whenever you have a minute, please call me to discuss. thanks

456-6522- won't be here too late though because it's ken's birthday, but my cell is P6/b6
