Subject: PFA judicial materials

PFA has created a cumulative binder of letters, etc. compiled during the judicial nominations campaign. Each of you will be receiving a copy of this

binder over the next few days via courier (or an intern if you're in the white house).

The binder consists mostly of letters we solicited, and in a few cases, letters y'all made available to us for widespread distribution.

It's created just as a way to show the effort that was made from March - the present.

If you have any questions, let me know - and if you need another copy of the binder after reviewing it, I have extras, so let me know.

Thanks for your help over the last months....

Jennifer
