Subject: NO E-MAIL SUNDAY-- FINAL REMINDERS

Author: Brian Wikner

Date: 12/13/2002 4:01 PM

Please be aware that the cc:Mail system will be shut down (permanently) around

noon this Sunday to get an early start on next week's conversion.

Hopefully

this will help reduce the amount of downtime projected for next week. You should, however, still plan on not having e-mail Sunday afternoon through Thursday.

Thanks for your patience and continued assistance with this migration.
