Dear Colleagues,

It's time for me to say goodbye. I have thanked the President and the Attorney General for the opportunity they gave me to repay, in small measure, the debt that my family and I owe to America and her people. I want now to thank you all for having enriched my life, for showing me the boundless potential of camaraderie, commitment, and professionalism. I will always treasure our time serving Justice together. I hope you will in the future find some excuse to call and chat with this absent-minded academic. I am at

P6/b6

All best,

Viet
